These freeways all have carpool lanes when you will need it most. This route is one of the many ways to get to San Pedro. It is recommended, however, that you **AVOID** the 215s to 91s route. Plan approximately 2 hours of driving time. Please arrive at least 45 minutes before boarding time for a charter ride to Campus the Sea. So bring your breakfast and enjoy the port breeze. Other groups going to Campus By the Sea will all have our bags placed together in a pile on the boat. We may have a full boat so please label all your bags.

Once we arrive at camp, please help carry luggage (yours and others) to the camp fairway along the Lighthouse Dining Building. Place in a line or you can also put it around the Crow's nest under the shade. Put sleeping bags in a durable trash bag (there is dirt). Lunch will be served immediately after our luggages are brought up. After lunch we will have orientation, cabin assignments, and then have time to settle in.

Have a great ride!!

- 10 West
- 605 South
- 91 West
- 110 South (Harbor Freeway). South to San Pedro.
- Take the Terminal Island (exit ramp 47) and stay on the right lane
- Do not cross the bridge
- Exit Harbor Blvd. When exiting stay in the middle lane before the signal. Do not be in the right lane by the curb because its a right turning lane only.
- Proceed straight onto Swindford Street to Catalina Terminal, Berth 95.
- You can drive up to the loading zone to unload luggage then park.
